

Child Abuse Reporting within the School Context

In an effort to comply with Chapter 102 of the Iowa State Code, the Schleswig Community School has appointed David Galvin as the Level I child abuse investigator and Kathryn Koch as the district's alternate. This code specifies that the Level I investigators may be school district employees; however, the subsequent investigation phase (Level II) must have non-school district employee being designated. The Crawford County Sheriff Department has graciously agreed to act as our district's Level II investigator. This rule governs only alleged violations by school district employees in school-related context.

The Schleswig Community School continues to be committed to ensuring only the best possible educational climate for all of the students being served throughout the system.
