

# Schleswig Education Foundation

Dear Esteemed Alum,

We are excited to share with you that the Schleswig Education Foundation has been up and running since 2011. We are grateful to the visionaries who helped kick-start our dream. **We invite YOU to join this ongoing effort today to support your hometown community.**

**As the All-School Reunion approaches, we cannot help but be reminded of “who we are, and where we came from.”** We are grateful for all of the opportunities and support from our community.

We can give back to the community by nurturing our next generation with the gifts we received from the same community. The Schleswig Education Foundation is committed to enhancing educational opportunities and economic activities for all in the Schleswig Community School District. We believe that donations come in all forms: sitting on committees, serving at fundraisers, campaigning, or giving a financial contribution, for example.

Thanks to the generosity of all of our donors, we have been able to award scholarships each year since our inception. We aspire to make even larger scholarship awards and to open even greater opportunities than we are able to do now. Members of our board of directors would be pleased to discuss our goals and the tax-advantages that giving can provide to you.

To capitalize on the tax benefits of your donation, donations should be made to the Schleswig Education Foundation Endowment Fund, c/o Lila Bubke @ UBI, P.O. Box 460, Schleswig, Iowa 51461.

Sincerely,

A handwritten signature in cursive script that reads "Maura Sailer".
